

## ABOUT US:

### History of the Company:

In 2013, the owners of Kloner AS and Copyleft Solutions in Norway made the decision to establish a subsidiary company in the Philippines.

COPYANDPASTE, INC. commenced its operations as a sole proprietorship business on November 2013, and it was formally incorporated on January 13, 2015.

The name of the company, COPYANDPASTE INC., draws its inspiration from its Norwegian parent company, Kloner, which translates to "Clone." As a web development enterprise, the company is dedicated to recreate its clients' desires and creative visions.

### Company Profile:

COPYANDPASTE, INC. serves as a subsidiary of Copyleft Solutions, a global software development and IT operations company headquartered in Oslo, Norway, with a worldwide network of subsidiaries and collaborators. In addition to its international activities, COPYANDPASTE, INC. offers web development services and support to Kloner AS.

### Mission Statement:

Our mission is to deliver innovative and tailored web development solutions that empower businesses and individuals to succeed in the digital landscape. We strive to create high-quality, user-centric websites and web applications, setting standards of excellence in the industry. Our commitment is to help our clients enhance their online presence, reach their target audience effectively, and achieve their online objectives.

### Vision Statement:

Our vision is to be a global leader in web development, known for our cutting-edge technology, creative design, and unwavering dedication to client success. We aim to continuously evolve and adapt to the ever-changing digital world, staying at the forefront of emerging technologies and trends. We aspire to be

the go-to partner for businesses seeking to maximize their online potential, driving growth and innovation through our web solutions.
